25X1A [REDACTED] Another meeting disrupted plans and I spoke to  
25X1A [REDACTED] concerning the power supply to the light source

25X1A A possible problem, according to [REDACTED] was the balance between  
the transformer and the matched electrical circuits. As soon as  
[REDACTED] is available he will be informed of this development.

25X1A 3. A question arose concerning the financial status of [REDACTED] 25X1A  
[REDACTED] before my visit there. In order to disperse any rumors  
that may or may not be valid, I requested a financial statement from  
25X1A [REDACTED] This statement can be examined keeping in mind its origin --  
25X1A the financial department of [REDACTED]. According to the
